The **Painted Cow Gallery** would like to honor two of our talented artists;

Greg Painter and ***Harley Fannin***

for winning awards at the **Greenbo Art Show**.

The **Painted Cow Gallery** would also like to welcome our newest artists to the gallery,

Angela Thompson and ***Steven Thaman***.

If you haven't made it into the gallery recently you're missing out on our newest artwork!

You're invited to venture out to the gallery and enjoy it, because it's eye candy for the soul, and it's priced to sell.

The **Painted Cow Gallery** makes it easy to budget your purchases by accepting credit cards and offering liberal layaway plans as well as offering gift certificates in any denomination.

Our **next Adult Watercolor Workshop** will be offered Saturday, March 6th at noon.

The cost is \$25.00 including materials.
